This book worked great with my class. Very similar to the previous edition so if you need to save money, you could get the older one. It's always recommended that if you've been assigned problems to check out the edition on reserve in your college library just to make sure the numbering hasn't changed.

This is the Student Solutions Manual to accompany Elementary Differential Equations, 11th Edition.  
Elementary Differential Equations, 11th Edition is written from the viewpoint of the applied mathematician, whose interest in differential equations may sometimes be quite theoretical, sometimes intensely practical, and often somewhere in between.
