Chivalry was developed in the north of France around the mid-12th century but adopted its structure in a European context. New social status, new military techniques, and new literary topics adhered to a new character known as the knight and his ethos called chivalry. A regulation in the chivalric codes includes taking an oath of loyalty to the ...

Southampton is a city in Hampshire, England. The area has been settled since the stone age. Its history has been affected by its geographical location, on a major estuary on the English Channel coast with an unusual double high-tide, and by its proximity to Winchester and London; the ancient and modern capitals of England.
