## **Heartfulness A Guide To Heart Health And Life Balance**

Heartfulness is a simple system of meditation which, with a bit of practice, can help us achieve happier and more balanced lives. Of course, it does not remove all life's difficulties but it can reveal inner resources which gradually become stronger and more permanent, the more we practise. This provides us with inner strength to support us in difficult times and situations.

## **Heartfulness UK - Find peace and joy in being yourself**

Known to many as Daaji, Kamlesh D. Patel is the fourth guide in the Heartfulness tradition of meditation. Embracing the many roles of a modern-day teacher, he has that rare capacity that allows him to dive deep into the centre of his existence in the heart, and simultaneously have a scientific approach to original research in the field of meditation, spirituality and human evolution.
