Healthy marine species like whales, sea turtles, coral, and salmon are important for maintaining balanced and thriving ocean ecosystems. We work to prevent marine species populations from decline and extinction, protect them from human activities, and monitor activities that might impact them so they are around for future generations.

Eureka! for us was more than just a business model competition, it was a virtual incubator. The shift from B-plan to B-model benefited us widely as the timeline of the competition kept us motivated to step beyond having just a 10-slide business deck to actually going out there, creating an MVP and testing the waters.
