organizational behavior emerging knowledge, global reality

Buchanan and Huczynski bring their well-known and successful brand of critical thinking, social science underpinning, and visual appraisal to bear in this comprehensive introduction to organizational behaviour. Now in its 7th edition, this highly successful textbook has been substantially updated to include the latest research, most relevant ...

Organizational Behaviour - David A. Buchanan, Andrzej

Organizational Behaviour inspires readers to think and to reflect critically on the theories presented, teaching you to see the reality behind projected organizational images and link theory to practice. The text also recognizes the diverse social and cultural factors that affect behaviour in organizations. This eighth edition incorporates numerous innovative features that add further value to ...
